Table of Contents

Foreword ........................................................................................................................................... xxxv

Preface ............................................................................................................................................... xxxvii

Acknowledgment .......................................................................................................................... xlii

Volume I

Section I
E-Learning Applications for Career and Technical Education

Chapter I
Utilization of Distance Education in Career and Technical Education (CTE) Teacher Education........ 1
Chris Zirkle, The Ohio State University, USA
Edward C. Fletcher Jr., The Ohio State University, USA

Chapter II
Designing Automated Learning for Effective Training and Skills Development............................. 14
Shalin Hai-Jew, Kansas State University, USA

Chapter III
Challenges of Training Motor Vehicle Mechanics for Changing World Contexts and Emergent
Working Conditions: Cases of Kenya and Australia ........................................................................... 34
Kisilu M. Kitainge, Moi University, Kenya

Chapter IV
E-Learning Spaces ........................................................................................................................ 47
Lesley Farmer, California State University, USA

Chapter V
Using Technology to Reintegrate Learning and Doing: IBM’s Approach and its Implications
for Education ...................................................................................................................................... 59
Chris Allen Thomas, University of Pennsylvania, USA
Chapter VI
Impact of Information and Communication Technologies and Influence of Millennial
Students on the Role of CTE Teachers and Trainers

Davison M. Mupinga, Kent State University, USA
George R. Maughan, Indiana State University, USA

Chapter VII
Technologies for Learning and Transfer: Learning Frameworks and Technology Design
for Career and Technical Education

Doo Hun Lim, University of Oklahoma, USA
Seung Won Yoon, Western Illinois University, USA
Sunyoung Park, University of Minnesota, USA

Chapter VIII
Facilitating Reflective Teaching: Video-Stimulated Reflective Dialogues as a Professional
Development Process

Ed Powell, Anglia Ruskin University, UK

Chapter IX
Trainees’ Views Regarding Emphasis and Adequacy for Work of Institution-Based Automotive
Training in Kenya and State of Victoria, Australia

Kisilu M. Kitainge, Moi University, Kenya

Chapter X
Real-Time in Cyberspace: Effective, Live Synchronous E-Learning

Shalin Hai-Jew, Kansas State University, USA

Chapter XI
Culturally-Sensitive E-Learning Practices for Career and Technical Education

Lesley Farmer, California State University, USA

Chapter XII
The Impact of E-Learning on CTE from an Adult Education Perspective

Ian Gordon, Colorado State University, USA
Don Quick, Colorado State University, USA
Linda Lyons, Colorado State University, USA

Chapter XIII
Hypertinence, Serendipity or Elicitation of Passion for Knowledge? Some Critical Elements
of Online Learning by Using Web 2.0 Resources

Simona Marchi, University “Sapienza” of Rome, Italy
Chapter XIV
Supervising Projects and Dissertations.......................................................... 180
   Iris M. Saltiel, Troy University, USA
   Maria Martinez Witte, Auburn University, USA
   James E. Witte, Auburn University, USA

Chapter XV
Fostering Online Communities of Practice in Career and Technical Education................ 192
   Lesley Farmer, California State University, USA

Chapter XVI
Integration of Human Resource Management Knowledge into Career and Technical Education ..... 204
   James E. Bartlett II, North Carolina State University, USA
   Michelle E. Bartlett, HRD Leader, USA

Chapter XVII
Federal Funding for Career and Technical Education ........................................... 214
   Marietta A. Webb, Academic Success Center, USA

Chapter XVIII
Facilitating Scholarly Discussion Boards for Human Resource Education...................... 225
   Davison M. Mupinga, Kent State University, USA
   James E. Bartlett II, North Carolina State University, USA
   Michelle E. Bartlett, HRD Leader, USA

Chapter XIX
Building a Holistic Foundation for Leadership and Management through Online Learning......... 236
   Sharon G. Juozapavicius, CCHASM, USA

Chapter XX
Innovative Strategies for Preparing and Developing Career and Technical Education Leaders .... 248
   James E. Bartlett II, North Carolina State University, USA
   Michelle E. Bartlett, HRD Leader, USA

Section II
E-Learning Applications for Adult Learning and Career and Technical Education

Chapter XXI
Speaking of Technology: Teaching English Language Learners in CTE Programs................ 263
   Victor M. Hernández-Gantes, University of South Florida, USA
   William Blank, University of South Florida, USA
Chapter XXII
Cohort Programming

James E. Witte, Auburn University, USA
Iris M. Saltiel, Troy University, USA
Maria Martinez Witte, Auburn University, USA

Chapter XXIII
Impact of E-Learning on Adult Education: A Changing Postmodern Approach

Royce Ann Collins, Kansas State University, USA
Jeff Zacharakis, Kansas State University, USA

Chapter XXIV
Trends and Lessons from the History of Contemporary Distance Learning

Kathleen P. King, Fordham University, USA

Chapter XXV
Understanding Group Interaction and Knowledge Building in Virtual Learning Environments

Hwee Ling Lim, Petroleum Institute, UAE

Chapter XXVI
Using E-Learning to Increase Opportunities in CTE and Adult Education: Integrating Face-to-Face with Two-Way Interactive Video Instruction for Career and Technical Educators

Linda Lyons, Colorado State University, USA
Don Quick, Colorado State University, USA
Ian Gordon, Colorado State University, USA

Chapter XXVII
Barriers to Adult Learning

Maria Martinez Witte, Auburn University, USA
James E. Witte, Auburn University, USA
Iris M. Saltiel, Troy University, USA

Chapter XXVIII
Cultural Issues in Adult Education

Sandra Poirier, Middle Tennessee State University, USA
Deborah Wooldridge, Bowling Green State University, USA

Chapter XXIX
Lifelong Learning in the 21st Century

Kathleen P. King, Fordham University, USA
Sharon R. Sanquist, Caldwell College, USA
Seamus King, University of Georgia, USA
Chapter XXX
Key Aspects of Teaching and Learning in the Online Environment ........................................... 380
   Sandra R. Daffron, Western Washington University, USA
   AJ Barse, Western Washington University, USA
   Edward Webster, Western Washington University, USA

Chapter XXXI
An Integrated Evaluation Approach for E-Learning Systems in Career and Technical Education .......................................................... 396
   Wenhao David Huang, University of Illinois at Urbana-Champaign, USA
   Steven R. Aragon, University of Illinois at Urbana-Champaign, USA

Chapter XXXII
CTE Distance E-Learning Application: A Learner-Centered Approach ........................................ 408
   Brenda C. Ledford, University of Maryland University College, USA

Chapter XXXIII
Using and Evaluating Learning Objects for Online Courses in Vocational Education ....................... 421
   Simone C. O. Conceição, University of Wisconsin-Milwaukee, USA
   Elaine Strachota, Milwaukee Area Technical College, USA
   Steven W. Schmidt, East Carolina University, USA

Chapter XXXIV
Self-Assessment in Building Online Communities of Learning .................................................. 431
   Karen Weller Swanson, George Mason University, USA
   Mary Kayler, George Mason University, USA

Volume II

Chapter XXXV
Access Barriers Experienced by Adults in Distance Education Courses and Programs ....................... 444
   Chris Zirkle, The Ohio State University, USA
   Edward C. Fletcher Jr., The Ohio State University, USA

Chapter XXXVI
Glad to Have Taken the STEPS: Aspects that Contribute to Success in an Online Learning and Teaching Environment ........................................ 455
   Geoff Danaher, Central Queensland University, Australia
   Violeta Todorovic, Central Queensland University, Australia

Chapter XXXVII
The Paradox of Equal Access ................................................................. 470
   Kathleen V. Schmidt, DePaul University, USA
Chapter XXXVIII
Understanding the Online Learner.............................................................. 482
Steven W. Schmidt, East Carolina University, USA

Chapter XXXIX
Career and Technical Education in Light of the No Child Left Behind Legislation .......... 495
Edward C. Fletcher Jr., The Ohio State University, USA
Chris Zirkle, The Ohio State University, USA

Chapter XL
A Wiki on the Teaching of Business Administration............................................. 508
Ricard Monclús-Guitart, Universitat Rovira i Virgili, Spain
Teresa Torres-Coronas, Universitat Rovira i Virgili, Spain
Araceli Rodríguez-Merayo, Universitat Rovira i Virgili, Spain
M. Arántzazu Vidal-Blasco, Universitat Rovira i Virgili, Spain
Mario Arias-Oliva, Universitat Rovira i Virgili, Spain

Section III
Research/Assessment, Adult/Higher Education, and Workplace Learning

Chapter XLI
Conducting Survey Research in Education ...................................................... 519
Ernest W. Brewer, University of Tennessee, USA

Chapter XLII
A Needs Assessment: Critical in Planning and Community Development .............. 534
Gail C. Farmer, California State University, USA
Theodora Papachristou, California State University, USA

Chapter XLIII
A Cross Sample Analysis: To Examine the Predictive Validity of an Instrument ........ 550
Leping Liu, University of Nevada, Reno, USA

Chapter XLIV
Using Meta-Analysis as a Research Tool in Making Educational and Organizational Decisions...... 564
Ernest W. Brewer, University of Tennessee, USA

Chapter XLV
Accreditation Experience of the Designated Subject Credential (DSC) Program at California State University, Long Beach ................................................................. 576
Victor C. X. Wang, California State University, Long Beach, USA
Chapter XLVI
Gregory C. Petty, University of Tennessee, USA

Chapter XLVII
A Model of Modeling in Research and Practice: Technology Integration and Online Career Counseling .................................................. 603
Leping Liu, University of Nevada, Reno, USA

Chapter XLVIII
Curriculum Development for Adult Learners in Career and Technical Education .......................................................... 617
Victor C. X. Wang, California State University, Long Beach, USA

Chapter XLIX
Methods and Methodology: A Study on Work-Based Learning Research Tools for Career Development .......................................................... 628
Elda Nikolou-Walker, Queen’s University Belfast, Northern Ireland, UK

Chapter L
Learning to Work and Working to Learn: What We are Learning and How Technology and Assessment Can Help .................................................. 638
Gary Brown, Washington State University, USA
Theron Desrosier, Washington State University, USA
Debbie Edwards, Washington State University, USA

Chapter LI
The Dynamic of a Living Lecture in Career and Technical Education ......................................................................................... 668
John A. Henschke, University of Missouri, St Louis, USA

Chapter LII
Serving Rural Communities Using Blended Technology .................................................................................................................. 681
Jules K. Beck, University of Arkansas, Fayetteville, USA
Bobbie T. Biggs, University of Arkansas, Fayetteville, USA

Chapter LIII
Three Theoretical Perspectives on Informal Learning at Work .......................................................................................................... 695
Mary F. Ziegler, University of Tennessee, USA

Chapter LIV
Developing an Integrated Evaluation Framework for E-Learning ........................................................................................................ 707
Yonjoo Cho, Indiana University at Bloomington, USA
Sunyoung Park, University of Minnesota, USA
Sung Jun Jo, University of Minnesota, USA
Chang-Wook Jeung, University of Minnesota, USA
Doo Hun Lim, University of Oklahoma, USA
Chapter LV
Cognitive Development: The Learning Path of Community Development Practitioners ............... 723
  Jin Xiao, The Chinese University of Hong Kong, China

Chapter LVI
The Online Adult Learner: Profiles and Practices ........................................................................ 737
  Judith Parker, Teachers College/Columbia University, USA

Chapter LVII
Who has the Ultimate Control? .................................................................................................... 747
  Kerry Lee, University of Auckland, New Zealand

Chapter LVIII
The Theory and Practice of Teaching in Today’s Colleges and Universities ............................ 764
  Victor C. X. Wang, California State University, Long Beach, USA

Chapter LIX
Web 2.0 Technologies: Social Software Applied to Higher Education and Adult Learning ........ 779
  Teresa Torres-Coronas, Universitat Rovira i Virgili, Spain
  Ricard Monchis-Guitart, Universitat Rovira i Virgili, Spain
  Araceli Rodríguez-Merayo, Universitat Rovira i Virgili, Spain
  M. Arántzazu Vidal-Blasco, Universitat Rovira i Virgili, Spain
  M. José Simón-Olmos, Universitat Rovira i Virgili, Spain

Chapter LX
Evolution of Adult Education: Is our Future in E-Learning? ..................................................... 791
  Vivian W. Mott, East Carolina University, USA

Compilation of References ........................................................................................................... 805
