Building Portal Applications.................................................................................................................. 38
   Jana Polgar, NextDigital, Australia
   Tony Polgar, Oakton, Australia

Chapter 5
Architecture of the Organic.Edunet Web Portal .............................................................................. 54
   Nikos Manouselis, Greek Research & Technology Network (GRNET S.A.), Greece
   Kostas Kastrantas, Greek Research & Technology Network (GRNET S.A.), Greece
   Salvador Sanchez-Alonso, University of Alcalá, Spain
   Jesús Cáceres, University of Alcalá, Spain
   Hannes Ebner, Royal Institute of Technology (KTH), Sweden
   Matthais Palmer, Royal Institute of Technology (KTH), Sweden
   Ambjorn Naeve, Royal Institute of Technology (KTH), Sweden
Section 2

Chapter 6
Adaptation and Recommendation in Modern Web 2.0 Portals................................................................. 70
Andreas Nauerz, IBM Research and Development, Germany
Rich Thompson, IBM T.J. Watson Research Center, USA

Chapter 7
An Overview of REST........................................................................................................................................ 83
Jan Newmarch, Box Hill Institute, Australia

Chapter 8
Toward Introducing Semantic Capabilities for WSRP ................................................................. 89
Kevin Wilkinson, Fronde Systems Group, New Zealand
Jana Polgar, Next Digital, Australia

Chapter 9
User Facing Web Services in Portals ............................................................................................................. 104
Jana Polgar, NextDigital, Australia

Chapter 10
Practitioner Case Study: Practical Challenges in Portal Implementation Projects...................... 122
Daniel Brewer, Sentric APAC Pty Ltd., Australia
Greg Adamson, University of Melbourne, Australia

Section 3

Chapter 11
Service Oriented Architecture Conceptual Landscape: Part I................................................................. 131
Ed Young, Victoria University, Australia

Chapter 12
Service Oriented Architecture Conceptual Landscape: Part II .......................................................... 142
Ed Young, Victoria University, Australia

Chapter 13
WebSphere Portal 6.1: An Agile Development Approach ............................................................................. 164
