Acknowledgment

This book would not have been possible without the dedication and assistance of many individuals. First and foremost, the editors would like to express their profound gratitude to the authors who have contributed their knowledge, expertise, and research insights to develop this timely, and in many aspects, remarkable publication. The editors would also like to acknowledge the help of the reviewers involved in the peer evaluation process and thank them for providing constructive critiques and valuable suggestions. Finally, our deep gratitude goes to the IGI Global publishing team representatives for their professional commitment, patience, and support.

We sincerely thank all those who have helped this book come to fruition.
