Acknowledgment

First and foremost, the editors wish to thank all the authors for their insightful and perceptive contributions to this book. Without their hard-working efforts the Handbook would not have happened. The editors would also like to acknowledge the help of the many people from the academic community involved in the review process, without them the project could not have been completed on time.

Our profound gratitude goes to the publishing team of IGI Global and its Director Dr. Khosrow-Pour. In particular the editors wish to acknowledge the following IGI Global representatives for their professional dedication:

Jan Travers, Director of Editorial Content
Kristin M. Klinger, Managing Acquisitions Editor
Kristin M. Roth, Managing Development Editor
Julia Mosemann, Development Editor
Rebecca Beistline, Assistant Development Editor
Beth Ardner, Editorial Assistant
Jamie Snavely, Production Senior Managing Editor
Gregory Guenther, Sales and Marketing Assistant

To all those who have helped this book to come to fruition: thank you for your generous support, patience, and encouragement.
