Foreword .................................................................................................................................................. x

Preface .................................................................................................................................................. xii

Acknowledgment ...................................................................................................................................... xv

## Section 1
### Institutional Research Theory and Practice

### Chapter 1
The Dean of Information: A Theoretical Framework for Institutional Research
Leadership in Higher Education ................................................................................................................. 1

*Hansel Burley, Texas Tech University, USA*

### Chapter 2
Changing the Grant Culture of a College ................................................................................................... 22

*James E. McLean, University of Alabama, USA*

*Alanna Rochelle King Dial, Syracuse University, USA*

### Chapter 3
From Silos to Sharing: An Institutional Research View of the Conversion to an ERP .................. 39

*Dana L. Dalton, Forsyth Technical Community College, USA*

## Section 2
### Institutional Research Informatics and Statistical Practice

### Chapter 4
Parsing Banner Downloaded Data into a Flat-File Format for Analysis ........................................ 53

*Garnett Lee Henley, Howard University, USA*

*Gerunda B. Hughes, Howard University, USA*

*Tawana Feimster, Howard University, USA*

*Leo E. Rouse, Howard University, USA*
Chapter 5
Institutional Research Using Data Mining: A Case Study in Online Programs
  Constanta-Nicoleta Bodea, Academy of Economic Studies, Romania
  Vasile Bodea, Academy of Economic Studies, Romania
  Radu Ioan Mogos, Academy of Economic Studies, Romania

Chapter 6
Using Geospatial Information Systems for Strategic Planning and Institutional Research
  Nicolas A. Valcik, The University of Texas at Dallas, USA

Chapter 7
Using Machine Learning Techniques in Student Dropout Prediction
  Rajeev Bukralia, Dakota State University, USA
  Amit V. Deokar, Dakota State University, USA
  Surendra Sarnikar, Dakota State University, USA
  Mark Hawkes Dakota State University, USA

Chapter 8
Principles for the Analysis of Large Complex Secondary Databases in Educational Settings
  Yen To, The University of Southern Mississippi, USA
  Hansel Burley, Texas Tech University, USA

Section 3
Higher Education Curriculum and Instruction

Chapter 9
Experimental Design to Examine the Effectiveness of Honor Codes
  Lucy Barnard-Brak, Baylor University, USA
  Valerie Osland Paton, Texas Tech University, USA

Chapter 10
Developing a Quality Distance Learning Program in a Comprehensive Community College
  Stephanie J. Jones, Texas Tech University, USA

Chapter 11
Developing an Online Course On-the-Fly with an IR State of Mind
  Kevin Gosselin, The University of Texas at Tyler, USA
  Hansel Burley, Texas Tech University, USA

Chapter 12
A Million Ghosts: West Point’s Long Line of Moral Development and Character Education
  Aaron R. Baggett, Baylor University, USA
Section 4
Higher Education Program Assessment

Chapter 13
Measuring Diversity at a Historically Black College of Dentistry ..................................................... 212
  Garnett Henley, Howard University, USA
  Wanda Lawrence, Winston Salem State University, USA
  Candace Mitchell, Howard University, USA
  Donna Henley-Jackson, UCLA, USA & Baylor University, USA
  Tawana Feimster, Howard University, USA

Chapter 14
Examining University Retention Efforts of Non-Traditional, First Generation Students ...................... 228
  Valerie McGaha-Garnett, Oklahoma State University, USA

Chapter 15
The National Research University: Toward Becoming a Hispanic Serving Institution (HSI) at a Responsibility Centered Management University ................................................................. 238
  Fernando Valle, Texas Tech University, USA
  Stacy A. Jacob, Texas Tech University, USA
  Zhaomin He, Texas Tech University, USA

Chapter 16
Collaboration in Student Assessment Research: Beyond Data Collection and Reporting .................... 248
  Robin Capt, West Texas A&M, USA
  Heidi Taylor, West Texas A&M, USA
  Gary Kelley, West Texas A&M, USA
  Mo Cuevas, West Texas A&M, USA

Chapter 17
Developing an Assessment Plan for the Arts and Sciences Division of a Comprehensive Community College .............................................................................................................. 260
  Annette E. Smith, West Texas Plains College, USA
  Stephanie J. Jones, Texas Tech University, USA

Chapter 18
A Framework for Examining Data and Taking Action to Increase Student Retention and Graduation ................................................................. 275
  Gita Wijesinghe Pitter, Florida A&M University, USA
  William Hudson, Florida A&M University, USA
Chapter 19
The Birth of a Survey: Developing an Assessment of Preservice Teachers’ Diversity Awareness

Mary Cain Fehr, Texas Tech University, USA
Mary Frances Agnello, Texas Tech University, USA
Steven M. Crooks, Texas Tech University, USA
Fethi A. Inan, Texas Tech University, USA
Raymond Flores, Texas Tech University, USA

Chapter 20
African Americans and Planned Resilience: In Search of Ordinary Magic

Hansel Burley, Texas Tech University, USA
Lucy Barnard-Brak, Baylor University, USA
Valerie McGaha-Garnett, Oklahoma State University, USA
Bolanle Olaniran, Texas Tech University, USA
Aretha Marbley, Texas Tech University, USA

Section 5
Assessment Systems and Higher Education Accreditation

Chapter 21
Establishing Continuous Readiness for Specialized Accreditation

Gita Wijesinghe Pitter, Florida A&M University, USA

Chapter 22
A Case Study: Closing the Assessment Loop with Program and Institutional Data

Robert Elliott, Eastern New Mexico University, USA

Chapter 23
Developing Best Practices for Value Added Research in a Political Context

Valerie Osland Patton, Texas Tech University, USA
Gerry Dizinno, University of Texas at San Antonio, USA
Roy Mathew, University of Texas at El Paso, USA

Chapter 24
Meta-Analysis as a Tool for Assessing University-Wide Student Learning Outcomes

Hansel Burley, Texas Tech University, USA
Bolanle Olaniran, Texas Tech University, USA

Chapter 25
Using Bad News to Make Good Decisions

Margaret Johnson, Texas Tech University, USA
Larry Hovey, Texas Tech University, USA
Pam Tipton, Texas Tech University, USA
Chapter 26
A Study of the Relationship between Freshman Composition and Student Performance in Intensive Writing Courses ................................................................. 375

Thomas K. Martin, Collin County Community College, USA
