Acknowledgment

This book is the hard work of many people who, in various and important ways, have supported the process from start to finish. In particular we will say a genuine thank you to all the authors of the individual chapters for their excellent contributions. We will also thank our brilliant colleagues around the globe who, with their deep knowledge in this research area, have participated in the review process. Without your support this book project could for sure not have been satisfactorily completed. In this respect special gratitude shall be given to Professor, Ph.D. Gregory Anderson, Professor, Ph.D. Marcie Boucouvalas, Assistant Professor, Ph.D. Erik Borglund, Professor, Ph.D. Henk Eijkman, Associate Professor, Ph.D. Stefan Hrastinski, Professor, Ph.D. Jianli Jiao, Assistant Professor, Ph.D. Monica Liljestöm, Professor, Ph.D. Simon Lindgren, Assistant Professor, Ph.D. Ġorġ Mallia, Professor, Ph.D. Guy Merchant, Associate Professor, Ph.D. Urban Nuldén, Assistant Professor, Ph.D. Carl-Johan Orre, Assistant Professor, Ph.D. Hans Rystedt, and Associate Professor, Ph.D. Tor Söderström. We will of course also say thank you to the contributing authors in this book that in a productive way have peer-reviewed the chapters. Before giving credit to some other important persons in this process we will point out that it is our hope that this book will serve as a platform for future network building and joint research projects.

A special note of thanks is due to the staff at IGI whose support throughout the process has been most valuable. In addition we will thank the Faculty of Social Sciences, Department of Education, Umeå University, Sweden, and the Faculty of Social Sciences, Department of Education, Mid Sweden University, Sweden, for providing both of us generous opportunities for working with this book. We will also say thank you our local research groups, LICT (Learning & ICT) and HEALTH (Higher Education And Learning through Technology enHancememt) and for encourage and academic support. Finally, we would like to thank our families for their love, understanding and patience throughout this book project. In Anders case his fiancée Tina Collryd and their children Neo “Yoda” Collryd and Wille “Skywalker” Collryd. For Ola his former wife Anne, and their children Joakim, Sanna, and Martin.
