Acknowledgment

I would like to thank my co-editor, Dr Sulaiman Hashim of the Aminudin Baki Institute, Malaysia for his relentless support, enthusiasm and professionalism throughout the development of this book. The book could not have been completed without his assistance. I am also indebted to a dedicated international editorial advisory panel who have allocated their time to scrutinize the contents and ensure the quality of this book.

Prof. Rita Richey, Professor Emeritus of Instructional Technology, Wayne State University, USA
Prof. Tjeerd Plomp, Professor Emeritus of the University of Twente, Enschede, The Netherlands
Prof M. Amin Embi, Universiti Kebangsaan Malaysia
Associate Prof. Som Naidu, PhD, Charles Sturt University, Australia

I am grateful for the group of writers who have completed their tasks on time and who helped review and improve each other’s work. I would also like to thank Dr Lee Lay Wah, Madam Anita Azizan and Madam Mee Zamra Zainal for reviewing and editing some of the chapters.

Finally, I thank Mr. Mike Killan of IGI Global for his tireless support, without which the book would not have actualized.
