# Table of Contents

**Preface**................................................................................................................................................... xi

**Acknowledgment**....................................................................................................................................... xviii

## Section 1
**Basic Concepts**

**Chapter 1**
Supply Chain Analysis and Typology........................................................................................................ 1

*Seyyedehnasim Aghili, Amirkabir University of Technology, Iran*

*Mahdieh Sedghi, Amirkabir University of Technology, Iran*

**Chapter 2**
Strategic Issues of Supply Chain Design and Management ................................................................. 19

*Nooshin Heidari, Amirkabir University of Technology, Iran*

*Shabnam Rezapour, Urmia University of Technology, Iran*

**Chapter 3**
Integration in Supply Chain Management ................................................................................................. 35

*Marzieh Mozafari, Amirkabir University of Technology, Iran*

*Sajedeh Tafazzoli, Amirkabir University of Technology, Iran*

**Chapter 4**
Coordination in Supply Chain Management .............................................................................................. 52

*Mohsen Sheikh Sajadieh, Sharif University of Technology, Iran*

*Alireza Bolooriarabani, Wayne State University, USA*

**Chapter 5**
Collaborative Planning............................................................................................................................... 75

*Saeed Ghadimi, University of Florida, USA*
Chapter 6
Future Trends in SCM
Reza Zanjirani Farahani, Kingston University London, UK
Faraz Dadgostari, Amirkabir University of Technology, Iran
Ali Tirdad, University of British Columbia, Canada

Section 2
Special and Advanced Areas

Chapter 7
Complex Real-Life Supply Chain Planning Problems
Behnam Fahimnia, University of South Australia, Australia
Mohammad Hassan Ebrahimi, InfoTech International Company, Iran
Reza Molaei, Iran Broadcasting Services, Iran

Chapter 8
CRM, SRM and Marketing in Supply Chain
Mehdi Abdollahi Kamran, Urmia University of Technology, Iran

Chapter 9
Paradigms of Supply Chain Management
Jafar Heydari, Tarbiat Modares University, Iran

Chapter 10
Supply Chain Risk Management
Ehsan Nikbakhsh, Tarbiat Modares University, Iran

Chapter 11
Disruption in Supply Chain
Mohammad Bakhshayeshi Baygi, University of Concordia, Canada
Seyyed Mostafa Mousavi, University of Warwick, UK
Onur Kuzgunkaya, University of Concordia, Canada

Chapter 12
Competition in Supply Chain
Shabnam Rezapour, Urmia University of Technology, Iran

Chapter 13
Sustainability in Supply Chain Management
Farzad Dehghanian, Ferdowsi University of Mashhad, Iran
Chapter 14
Stochastic Programming in Supply Chain ................................................................. 247
  Mahdi Hamzeei, University of Wisconsin-Madison, USA
  Narges Kazemzadeh, Iowa State University, USA

Chapter 15
Bullwhip Effect Analysis in a Supply Chain ........................................................... 263
  Mehdi Najafi, Sharif University of Technology, Iran
  Reza Zanjirani Farahani, Kingston University, UK

Chapter 16
Quantitative Models in Supply Chain Management ............................................... 285
  Esmaeel Moradi, Oklahoma State University, USA
  Mohammad Reza Ghezel Arsalan, University of Tehran, Iran
  Ali Naimi Sadigh, Tarbiat Modares University, Iran
  Hamed Fallah Roshan Ghalb, Tarbiat Modares University, Iran
