# Table of Contents

Preface ...................................................................................................................................................... xiv

## Section 1
**Instructional Design to Promote Interactivity in E-Learning**

**Chapter 1**
Interactivity Design in E-Learning: An Integrated Approach ................................................................. 1  
*Haomin Wang, Dakota State University, USA*

**Chapter 2**
Interactivity of Information Representations in e-Learning Environments ............................................. 29  
*Kamran Sedig, The University of Western Ontario, Canada*  
*Paul Parsons, The University of Western Ontario, Canada*

**Chapter 3**
Simulation to Enhance Interactivity in E-Learning: The Capella Story ...................................................... 51  
*Ann Leslie Claesson, Capella University, USA*  
*Felicity Pearson, Capella University, USA*  
*Jesse Rosel, Capella University, USA*

**Chapter 4**
Authentic Learning in Online Courses: A Course Design Model ............................................................... 82  
*Deb Gearhart, Troy University, USA*

**Chapter 5**
The Influence of Cognitive Styles on Learners’ Performance in e-Learning .......................................... 95  
*Robert Z. Zheng, University of Utah, USA*

**Chapter 6**
Diagnosis, Supporting, and Fading: A Scaffolding Design Framework  
for Adaptive E-Learning Systems ........................................................................................................ 116  
*Xun Ge, University of Oklahoma, USA*  
*Victor Law, University of Oklahoma, USA*  
*Kun Huang, University of North Texas Health Science Center, USA*
Chapter 7
A Noble Eightfold Path: Novice to Expert in E-Learning and the Efficacy of Instructional Design

Julia Penn Shaw, State University of New York - Empire State College, USA

Section 2
Interactivity and Educational Games

Chapter 8
Digital Games: Are They the Future of E-Learning Environments?

Betül Özkan-Czerkawski, University of Arizona South, USA

Chapter 9
Games in E-Learning: How Games Teach and How Teachers Can Use Them

Michelle Aubrecht, Ohio State University, USA

Chapter 10
Empowering Digital Learners: A Self-Managing Learning Process Framework for Digital Game-Based Learning System (DGBLS)

Wenhao David Huang, University of Illinois at Urbana-Champaign, USA
Dazhi Yang, Boise State University, USA

Chapter 11
Virtual Performance Assessment in Immersive Virtual Environments

Jillianne Code, University of Victoria, Canada
Jody Clarke-Midura, Harvard University, USA
Nick Zap, Simon Fraser University, Canada
Chris Dede, Harvard University, USA

Section 3
Interpersonal Interactivity through Media

Chapter 12
A Case Study of Social Interaction on ANGEL and Student Authoring Skills

Ruth Xiaqing Guo, Buffalo State College - State University of New York, USA

Chapter 13
Meaningful Connections: “Going the Distance” in Distance Learning Through the Design and Generation of Community Building Online Learning Interactions

Terri Edwards Bubb, University of Houston – Clear Lake, USA
Denise McDonald, University of Houston – Clear Lake, USA
Caroline M. Crawford, University of Houston – Clear Lake, USA
Chapter 14
Intentional Communities of Practice, the Challenge of Interactivity ................................................. 305
Aaron Wiatt Powell, Virginia Tech University, USA

Chapter 15
Embedded Librarians: Delivering Synchronous Library Instruction and Research Assistance to Meet Needs of Distance Students and Faculty ................................................................. 326
Sheila Bonnand, Montana State University, USA
Mary Anne Hansen, Montana State University, USA

Compilation of References ............................................................................................................... 340

About the Contributors ...................................................................................................................... 378

Index .................................................................................................................................................. 385
