This book would not have been possible without the support provided by Dr. Mohsen Milani, Chair of the Department of Government and International Affairs, and Dr. John Daly, Director of the Public Administration Program, at the University of South Florida. The beliefs of these two scholars in faculty development afforded me the opportunity to complete this project. I am also grateful to Dr. Jamil Jreisat for his mentorship and guidance, which provided me with the motivation and the strength to complete this work.
