# Information Resources Management: Global Challenges

## Table of Contents

Foreword ............................................................................................................................. vii

Preface ............................................................................................................................... ix

Section I:  
IRM Challenges in Dynamic Social Environments

Chapter I  
Cross-Cultural Information Resource Management:  
Challenges and Strategies............................................................................................... 1  

*Xiuzhen Feng, Beijing University of Technology, P.R. China*

Chapter II  
Information Technology Acceptance across Cultures................................................. 25  

*Amel Ben Zakour, FSJEGJ, Tunisia*

Chapter III  
Information-Communications Systems Convergence Paradigm:  
Invisible E-Culture and E-Technologies ........................................................................ 54  

*Fjodor Ruzic, Institute for Informatics, Croatia*
Section II:  
IRM Challenges across Nations

Chapter IV  
Critical Success Factors for IS Implementation in China:  
A Multiple-Case Study from a Multiple-Stage Perspective ................. 76
  Huixian Li, Accenture Consulting Company, P. R. China
  John Lim, National University of Singapore, Singapore
  K. S. Raman, National University of Singapore, Singapore
  Yinping Yang, National University of Singapore, Singapore

Chapter V  
Developing Electronic Content for the Support of the European  
Cultural Inclusion: From the Earlier “e-Europe” Initiative toward  
the Future “i2010” Perspective............................................................... 107
  Ioannis P. Chochliouros, Hellenic Telecommunications Organization S.A. (OTE), Greece and University of Peloponnese, Greece
  Ioannis Bougos, Hellenic Telecommunications Organization S.A. (OTE), Greece
  Stergios P. Chochliouros, Independent Consultant, Greece
  Anastasia S. Spiliopoulou, Hellenic Telecommunications Organization S.A. (OTE), Greece

Chapter VI  
Understanding the Cultural Roots of India’s Technology  
Development from Homi Bhabha’s Post-Colonial Perspective .......... 128
  Ramesh Subramanian, Quinnipiac University, USA

Chapter VII  
Digital Culture and Sharing: Theory and Practice of a Brazilian Cultural  
Public Policy .................................................................................................. 146
  Saulo Faria Almeida Barretto, Research Institute for Information Technology, Brazil
  Renata Piazzalunga, Research Institute for Information Technology, Brazil
  Dalton Martins, Research Institute for Information Technology, Brazil
  Claudio Prado, Research Institute for Information Technology, Brazil
  Célio Turino, Ministry of Culture, Brazil
Section III:
Information Resources Development Challenges

Chapter VIII
Dialogue Act Modeling: An Approach to Capturing and Specifying
Communicational Requirements for Web-Based Information Systems
Ying Liang, University of Paisley, UK

Chapter IX
Challenges in Building a Culture-Centric Web Site
Tom S. Chan, Southern New Hampshire University, USA

Section IV:
Knowledge Management Challenges

Chapter X
Information and Knowledge Management for Innovation of Complex Technologies
Ning Li, University of Guam, USA
Don E. Kash, George Mason University, USA

Chapter XI
Knowledge Workers as an Integral Component in Global Information System Design
Michel Grundstein, MG Conseil & Paris Dauphine University, France

Chapter XII
Cultural Impact on Global Knowledge Sharing
Timothy Shea, University of Massachusetts Dartmouth, USA
David Lewis, University of Massachusetts Lowell, USA

Section V:
Information Communication Technology Adoption Challenges

Chapter XIII
The Role of Information and Communication Technology in Managing Cultural Diversity in the Modern Workforce: Challenges and Issues
Indrawati Nataatmakia, University of Technology, Sydney, Australia
Laurel Evelyn Dyson, University of Technology, Sydney, Australia
Chapter XIV
From 9 to 5 to 24/7: How Technology Has Redefined the Workday

Linda Duxbury, Carleton University, Canada
Ian Towers, Carleton University, Canada
Christopher Higgins, The University of Western Ontario, Canada
John Ajit Thomas, Carleton University, Canada

Chapter XV
The Role of User Characteristics in the Development and Evaluation of E-Learning Systems

Dianna L. Newman, University at Albany / SUNY, USA
Aikaterini Passa University at Albany / SUNY, USA

Chapter XVI
A Model for Selecting Techniques in Distributed Requirement Elicitation Processes

Gabriela N. Aranda, GIISCo Research Group, Universidad Nacional del Comahue, Argentina
Aurora Vizcaíno, ALARCOS Research Group, Universidad de Castilla-La Mancha, Spain
Alejandra Cechich, GIISCo Research Group, Universidad Nacional del Comahue, Argentina
Mario Piattini, ALARCOS Research Group, Universidad de Castilla-La Mancha, Spain

Chapter XVII
Organizational Time Culture and Electronic Media

Cheon-Pyo Lee, Carson-Newman College, USA

Chapter XVIII
Global Organizational Fit Pyramid for Global IT Team Selection

Richard S. Colfax, University of Guam, USA
Karri T. Perez, TeleGuam Holding, LLC, USA
