Table of Contents

Preface................................................................................................................................................... xi

Chapter 1
Academic Development Perspectives of Blended Learning................................................................. 1
   Roisin Donnelly, Dublin Institute of Technology, Ireland
   Claire McAvinia, National University of Ireland, Maynooth, Ireland

Chapter 2
The Definition of Blended Learning in Higher Education................................................................. 19
   Mustafa Caner, Akdeniz University, Turkey

Chapter 3
Social Aspects and Web 2.0 Challenges in Blended Learning............................................................ 35
   Tiziana Guzzo, CNR - Istituto di Ricerche sulla Popolazione e le Politiche Sociali, Italy
   Patrizia Grifoni, CNR - Istituto di Ricerche sulla Popolazione e le Politiche Sociali, Italy
   Fernando Ferri, CNR - Istituto di Ricerche sulla Popolazione e le Politiche Sociali, Italy

Chapter 4
Assistive Technologies and Environmental Design Concepts for Blended Learning and Teaching
for Disabilities within 3D Virtual Worlds and Learning Environments ............................................. 50
   Noha Saleeb, Middlesex University, UK
   Georgios Dafoulas, Middlesex University, UK

Chapter 5
The ‘Pleasure Principle’ in Blended Learning Approaches................................................................. 75
   Paul Peachey, University of Glamorgan, UK

Chapter 6
The Artificial Intelligence in the Support of e-Learning Management and Quality Maintenance ...... 92
   Wiesław Pietruszkiewicz, SDART Ltd, UK
   Dorota Dżega, West Pomeranian Business School, Poland

Chapter 7
Developing a Collaborative E-Learning Construction Framework for Blended Learning.................. 115
   Xin Bai, York College of the City University of New York, USA
Chapter 8
Internet-Based Remote Laboratories as a Part of a Blended Learning Environment
Miladin Stefanovic, University of Kragujevac, Serbia
Milan Matijevic, University of Kragujevac, Serbia
Vladimir Cvjetkovic, University of Kragujevac, Serbia

Chapter 9
A Program-Based Approach to Developing and Implementing Blended Instruction:
The University of Vermont School Library Media Studies Sequence
Linda S. Brew, University of Vermont, USA
Judith L. Kaplan, University of Vermont, USA

Chapter 10
Framework for Evaluating Blended Learning in a University Public-Speaking Course in Singapore
Linda Fang, Temasek Polytechnic, Singapore
Siew Hoong Chow, SIM University, Singapore
Wai Man Soo, Institute for Adult Learning, Singapore

Chapter 11
Using a Blended e-Learning Cooperative Approach in Higher Education:
A Case from Egypt
Heba EL-Deghaidy, Suez Canal University, Egypt

Chapter 12
Design of a Blended Learning Environment for the Training of Greek Teachers:
Results of the Survey on Educational Needs
Panagiotes Anastasiades, University of Crete, Greece

Chapter 13
Enabling Creative Blended Learning for Adults through Learning Design
Spyros Papadakis, Hellenic Open University, Greece

Chapter 14
Theoretical Rationale for Designing a Blended Learning Teachers’ Professional Development Program
Charalampos Mouzakis, National and Kapodistrian University of Athens, Greece
Haralampos Tsaknakis, Research Academic Computer Technology Institute, Greece
Chrysanthi Tziortzioti, Lifelong Learning and Religious Affairs, Greece
