Table of Contents

Foreword ............................................................................................................................................. xi
Preface ................................................................................................................................................ xiii
Acknowledgment ............................................................................................................................. xviii

Section 1
Framework for Discovery

Chapter 1
Understanding Information Seeking Behavior of Faculty and Students: A Review of the Literature .... 1
Nancy Falciani-White, Wheaton College, USA

Chapter 2
From Metasearching to Discovery: The University of Florida Experience ........................................ 22
LeiLani Freund, University of Florida, USA
Christian Poehlmann, University at Albany, State University of New York, USA
Colleen Seale, University of Florida, USA

Chapter 3
Details, Details, Details: Issues in Planning for, Implementing, and Using Resource Discovery Tools ................................................................. 44
David P. Brennan, Pennsylvania State University, Milton S. Hershey Medical Center, USA

Section 2
Selecting a Discovery Tool

Chapter 4
Evaluating and Selecting a Library Web-Scale Discovery Service .................................................. 59
Jason Vaughan, University of Nevada- Las Vegas, USA
Chapter 5
Best Practices for Selecting the Best Fit ...

Monica Metz-Wiseman, University of South Florida, USA
Melanie Griffin, University of South Florida, USA
Carol Ann Borchert, University of South Florida, USA
Deborah Henry, University of South Florida St. Petersburg, USA

Chapter 6
Criteria to Consider when Evaluating Web-based Discovery Tools ...

Amy Hoseth, Colorado State University, USA

Chapter 7
Thinking Inside the Grid: Selecting a Discovery System through the RFP Process ...

Dace Freivalds, Pennsylvania State University Libraries, USA
Binky Lush, Pennsylvania State University Libraries, USA

Chapter 8
Designing an Evaluation Process for Resource Discovery Tools ...

David Bietila, University of Chicago, USA
Tod Olson, University of Chicago, USA

Section 3
The User Experience Part One: User Behavior and Expectations

Chapter 9
Resource Discovery Tools: Supporting Serendipity ...

Tammera M. Race, Western Kentucky University, USA

Chapter 10
User Search Activities within an Academic Library Gateway: Implications for Web-Scale Discovery Systems ...

William H. Mischo, University of Illinois at Urbana-Champaign, USA
Mary C. Schlembach, University of Illinois at Urbana-Champaign, USA
Joshua Bishoff, University of Illinois at Urbana-Champaign, USA
Elizabeth M. German, University of Houston, USA

Chapter 11
Setting a Direction for Discovery: A Phased Approach ...

Janet Fransen, University of Minnesota, USA
Lara Friedman-Shedlov, University of Minnesota, USA
Nicole Theis-Mahon, University of Minnesota, USA
Stacie Traill, University of Minnesota, USA
Deborah Boudewyns, University of Minnesota, USA
Chapter 12
Developing a User-Centered Article Discovery Environment .............................................................. 194

Suzanne Chapman, University of Michigan, USA
Scott Dennis, University of Michigan, USA
Kathleen Folger, University of Michigan, USA
Ken Varnum, University of Michigan, USA

Chapter 13
Replicating Top Users’ Searches in Summon and Google Scholar .................................................... 225

David Earl Noe, Rollins College, USA

Section 4
The User Experience Part Two: User Testing and User-Centered Design in Implementing Discovery Solutions

Chapter 14
How Users Approach Discovery Tools .................................................................................................. 252

Lucy Holman, University of Baltimore, USA
Elias Darraj, University of Baltimore, USA
Jonathan Glaser, University of Baltimore, USA
Alice Hom, University of Baltimore, USA
Heather Mathieson, University of Baltimore, USA
Deane Nettles, University of Baltimore, USA
Aronya Waller, University of Baltimore, USA

Chapter 15
Search Success at the University of Manitoba Libraries Pre-and Post-Summon Implementation ........ 268

Lisa O’Hara, University of Manitoba Libraries, Canada
Pat Nicholls, University of Manitoba Libraries, Canada
Karen Keiller, University of New Brunswick Saint John Campus, Canada

Chapter 16
Fostering Discovery through Web Interface Design: Perpetual Beta as the New Norm ....................... 288

Juliet Kerico, Southern Illinois University Edwardsville, USA
Paul Anthony, Southern Illinois University Edwardsville, USA
Chris Bulock, Southern Illinois University Edwardsville, USA
Lynn Fields, Southern Illinois University Edwardsville, USA

Chapter 17
Usability Testing Summon on the USC Libraries Home Page ............................................................. 303

Felicia Palsson, Sonoma State University, USA
Section 5
Implementation

Chapter 18
Implementing Library Discovery: A Balancing Act ................................................................. 322
   Andrew J. Welch, Drake University, USA

Chapter 19
Discovering Our Library’s Resources: Vendor Tools Versus In-House Tools ......................... 338
   Amy S. Jackson, University of New Mexico, University Libraries, USA
   Kevin Comerford, University of New Mexico, University Libraries, USA
   Suzanne M. Schadl, University of New Mexico, University Libraries, USA
   Rebecca Lubas, University of New Mexico, University Libraries, USA

Chapter 20
Discovery in a Hurry: Fast Transitions from Federated Search to Article Discovery ............... 351
   Nina Exner, North Carolina Agricultural and Technical State University, USA
   Stephen Bollinger, North Carolina Agricultural and Technical State University, USA
   Iyanna Sims, North Carolina Agricultural and Technical State University, USA

Chapter 21
Implementation and Acceptance of a Discovery Tool: Lessons Learned ............................. 366
   David Dahl, Towson University, USA
   Patricia MacDonald, Towson University, USA

Chapter 22
Putting Library Discovery Where Users Are ........................................................................... 388
   Scott Garrison, Ferris State University, USA
   Anne Prestamo, Oklahoma State University, USA
   Juan Carlos Rodriguez, Grand Valley State University, USA

Chapter 23
Implementing a Discovery Layer in a Consortial Environment ............................................. 407
   Mark Christel, The College of Wooster Libraries, USA
   Jacob Koehler, The College of Wooster Libraries, USA
   Michael Upfold, The Five Colleges of Ohio, USA

Chapter 24
Creating Organizational Buy-in: Overcoming Challenges to a Library-Wide Discovery Tool Implementation ................................................................................................................. 419
   Meris A. Mandernach, James Madison University, USA
   Jody Condit Fagan, James Madison University, USA
Chapter 25
Introducing Discovery Systems to Academic User Communities: A Case Study with Recommendations
Mary Mintz, American University, USA

Chapter 26
Does Web-Scale Discovery Make a Difference? Changes in Collections Use after Implementing Summon
Jan Kemp, University of Texas at San Antonio, USA

Chapter 27
Catalog Maintenance and Authority Control in Discovery Systems: A Survey of Early Adopters
Pamela Harpel-Burke, Hofstra University, USA

Section 6
Discovery in the Wild: Representative Examples of Discovery Tools in Use

Chapter 28
Early Adoption: EBSCO Discovery Service at Illinois State University
Anita K. Foster, Illinois State University, USA
Sarah C. Williams, University of Illinois at Urbana-Champaign, USA

Chapter 29
The Long and Winding Road: Implementing Discovery at Indiana University Bloomington Libraries
Courtney Greene, Indiana University, USA

Chapter 30
Encore Synergy Implementation at a Medium-Sized University Library: Unforeseen Challenges and Opportunities
Rachel A. Erb, Colorado State University, USA

Chapter 31
Primo Central: A Step Closer to Library Electronic Resource Discovery
Dale Poulter, Vanderbilt University, USA

Chapter 32
The Single-Search Project: Selecting and Implementing Primo at a Research and Cultural Heritage Institution
Jennifer Palmisano, Center for Jewish History, USA
Chapter 33
Implementing Primo for the Michiana Academic Library Consortium (MALC) .............................. 562
Aaron B. Bales, University of Notre Dame, USA
Mark Dehmlow, University of Notre Dame, USA

Chapter 34
Simplifying Resource Discovery and Access in Academic Libraries:
Implementing and Evaluating Summon at Huddersfield and Northumbria Universities ................... 580
June Thoburn, Northumbria University, UK
Annette Coates, Northumbria University, UK
Graham Stone, University of Huddersfield, UK

Chapter 35
Implementation of Resource Discovery: Lessons Learned ............................................................... 598
Elizabeth P. Babbitt, Massachusetts Board of Library Commissioners, USA
Amy Foster, Montana State University, USA
Doralyn Rossmann, Montana State University, USA

Chapter 36
WorldCat Local: A Transformative Solution ..................................................................................... 608
Angi Faiks, Macalester College, USA
Johan Oberg, Macalester College, USA
Katy Gabrio, Macalester College, USA

Chapter 37
Tiptoeing Forward: Implementing and Integrating WorldCat Local as a Discovery Tool ............... 622
Tyler Goldberg, University of Louisville, USA
Anna Marie Johnson, University of Louisville, USA
Randy Kuehn, Eastern Illinois University, USA

Section 7
Critique of Discovery

Chapter 38
Web-Scale Discovery: A Library of Babel? ........................................................................................ 637
William Breithbach, California State University, USA

Chapter 39
The Web-Scale Discovery Environment and Changing Library Services and Processes ............... 646
Peter Webster, Saint Mary’s University, Canada
