Table of Contents

Preface ...................................................................................................................................................... xv

Section 1
Introduction

Chapter 1
Global e-Agriculture and Rural Development: E-Value Creation, Implementation Challenges, and Future Directions ........................................................................................................................... 1
   Blessing Mukabeta Maumbe, West Virginia University, USA

Section 2
E-Agriculture and Rural Development in Sub-Saharan Africa

Chapter 2
ICT-Based Market Information Services (MIS) Projects, Deployment Environment, and Performance: Experiences from KACE and DrumNet Projects in Kenya .............................................. 17
   Julius J. Okello, University of Nairobi, Kenya

Chapter 3
Using ICT to Overcome Constraints in the Agriculture Value Chain: Emerging Trends in Ghana...... 31
   Siegfried Kofi Debrah, International Fertilizer Development Center (IFDC), Ghana
   Isaac Kwadwo Asare, International Fertilizer Development Center (IFDC), Ghana

Chapter 4
Geospatial Data Infrastructure (GDI) for Sharing Agro-Climatic Information to Improve Agricultural Productivity in Nigeria ........................................................................................................... 42
   A. Ayanlade, Obafemi Awolowo University, Nigeria
   M. O. Olawole, Obafemi Awolowo University, Nigeria
   O. S. Ayanlade, National Centre for Technology Management, Obafemi Awolowo University, Nigeria
   O. Bolarin, University of Ilorin, Nigeria
Chapter 5
ICT and Unemployment in Nigeria: Implication on Nigerian GDP

N.D. Oye, Federal University of Technology, Nigeria
Inuwa Ibrahim, Federal University of Technology, Nigeria
Muhammad Shakil Ahmad, COMSATS Institute of Information Technology, Faculty of Management, Pakistan

Chapter 6
ICT in Agricultural Development: Its Diffusion and Adoption Pattern in Nigeria’s Agricultural System

O. A. Lawal-Adebowale, University of Agriculture, Nigeria

Chapter 7
Impact of Information and Communication Technology on Livestock Production: The Experience of Rural Farmers in Nigeria

O. Anie Sylvester, Delta State Polytechnic, Nigeria

Chapter 8
Marketing Strategies for E-Government and E-Agriculture Services in South Africa: The Case of Cape Gateway Project

Blessing M. Maumbe, West Virginia University, USA
Vesper Owei, Cape Peninsula University of Technology, Republic of South Africa

Chapter 9
Understanding the Information Security Landscape in South Africa: Implications for Strategic Collaboration and Policy Development

Blessing M. Maumbe, West Virginia University, USA
Vesper Owei, Cape Peninsula University of Technology, Republic of South Africa

Chapter 10
Enhanced Knowledge Management: Knowledge Centers for Extension Communication and Agriculture Development in Ethiopia

Abebe Shiferaw, International Livestock Research Institute (ILRI), Ethiopia
Ermias Sehai, International Livestock Research Institute (ILRI), Ethiopia
Dirk Hoekstra, International Livestock Research Institute (ILRI), Ethiopia
Abrahm Getachew, International Livestock Research Institute (ILRI), Ethiopia

Section 3
E-Agriculture and Rural Development in Asia

Chapter 11
Situational Analysis of the Status of E-Agriculture in Tamil Nadu, India

P. Senthil Priya, PSG College of Arts and Science, India
N. Mathiyalagan, PSG College of Arts and Science, India
Chapter 12
Information and Communication Technology and its Potential to Transform Indian Agriculture ..... 140

Saurabh Singh, College of Agribusiness Management, India

Chapter 13
ICT Based Pest Management System for Sustainable Pulse Production: A Case Study ............... 169

O P Sharma, National Centre for Integrated Pest Management, India
Niranjan Singh, National Centre for Integrated Pest Management, India
Archana Bhardwaj, National Centre for Integrated Pest Management, India
S Vennila, National Centre for Integrated Pest Management, India
Someshwar Bhagat, National Centre for Integrated Pest Management, India
Neelam Mehta, National Centre for Integrated Pest Management, India
Kamlesh Kumar, National Centre for Integrated Pest Management, India

Section 4
E-Agriculture and Rural Development in Europe and North America

Chapter 14
ICTs in Agribusinesses: Opportunities for Extranet Services to Provide Information to Farmers ..... 185

Pádraig Wims, University College Dublin, Ireland

Chapter 15
Implementation of E-Learning in Forest Workers’ Training for Sustainable Forest Management ..... 200

Petros A. Tsioras, Aristotle University of Thessaloniki, Greece

Chapter 16
Soft Computing Modeling of Wild Fire Risk Indices: The Risk Profile of Peloponnesus Region in Greece ......................................................................................................................... 220

L Iliadis, Democritus University of Thrace, Greece
T Betsidou, Democritus University of Thrace, Greece

Chapter 17
Information and Communication Technology Uses in Agriculture: Agribusiness Industry Opportunities and Future Challenges........................................................................................................ 235

Tizita Alemayehu Wasihun, West Virginia University, USA
Blessing Mukabeta Maumbe, West Virginia University, USA

Compilation of References ............................................................................................................. 252

About the Contributors .................................................................................................................... 276

Index ........................................................................................................................................... 283
