Acknowledgment

We would like to express our great gratitude to the authors who contributed chapters to the book, *Technology Integration and Foundations for Effective Leadership*. The project has been an enjoyable endeavor, and we have been impressed by the professionalism, passion, and sincerity exhibited by the contributing authors. They have made our work interesting, and we are confident that their contributions provided in the various chapters will be beneficial and useful for the readers.

Another note of thanks goes to the reviewers who have diligently provided comments and feedback concerning the chapters. Their willingness and support have been most useful in assisting contributing authors with ideas, resources, and ways to improve the content. They have done outstanding work of providing detailed comments and constructive suggestions for every chapter. Their comments and suggestions were helpful in making editorial decisions and providing important feedback to the authors for improving and revising their chapters.

Finally, we would like to thank our families for their patience and encouragement. Special thanks go to Hengtao Tang for his checking on the details throughout the book.
