Dedication

To the memory of all those who were lost in the September 11, 2001 attacks, the Bali and Madrid attacks, and many other attacks as a result of the senseless determination by a small minority of people.

To the memory of my father who taught me understanding of the complexity and beauty of the world.

Lech J. Janczewski

To everyone who gave me encouragement and support throughout this and many other of life’s projects, may God’s blessings be upon you.
