Acknowledgment

The editors would like to express their gratitude to a number of people who have contributed to the completion of this book in various ways and to thank them all for their assistance and encouragement.

First, we wish to thank all of the authors for their excellent contributions to this book. All of you also served as reviewers for manuscripts written by other authors. Thank you all for your contributions and your constructive reviews.

Second, to our colleagues and Editorial Advisory Board (EAB) members: Dr. Hamid Allaoui and Dr. Gilles Goncalves, for their support during the reviewing process.

Finally, we would like to express our gratitude to Zongwei Luo and Michael Bourlakis for their prompt response and support.

Special thanks to the staff of IGI Global for their continuous coaching and guidance. Thank you Hannah and Austin!

You all helped to make this book a reality!
