# Table of Contents

Preface .................................................................................................................................................. xiv

Acknowledgment ................................................................................................................................ xxii

## Section 1

### Setting the Stage

**Chapter 1**
The Digital Lectern ................................................................................................................................ 1  
*Tom McBride, Beloit College, USA*  
*Ron Nief, Beloit College, USA*

**Chapter 2**
Navigating Multimedia: How to Find Internet Video Resources for Teaching, Learning, and Research .......................................................................................................................... 11  
*Julie A. DeCesare, Providence College, USA*

**Chapter 3**
Integrating Video Lecture Tools in Online and Hybrid Classrooms .......................................................... 27  
*Patricia Desrosiers, Western Kentucky University, USA*

**Chapter 4**
Tools of the Trade ................................................................................................................................ 43  
*Terri Gustafson, Michigan State University, USA*

## Section 2

### Lecture Capturing

**Chapter 5**
Using Presentation Capture in Counselor Education Programs ................................................................. 62  
*Robert Gibson, Emporia State University, USA*  
*Ann Miller, Emporia State University, USA*
Chapter 6
Student Performance and Perceptions of Business Courses Delivered Using Lecture Capture .......... 77
Patrick Moskal, University of Central Florida, USA
Patricia Euzent, University of Central Florida, USA
Patsy Moskal, University of Central Florida, USA
Thomas Martin, University of Central Florida, USA

Chapter 7
Toward LessonCapture: A New Approach to Screencasting and Lecture Capture.......................... 89
Steve Garwood, Rutgers University, USA

Section 3
Short Instructional Video

Chapter 8
Video Capture for Grading: Multimodal Feedback and the Millennial Student......................... 107
Elizabeth J. Vincelette, Old Dominion University, USA

Chapter 9
Creating and Implementing a Virtual Math Tutoring Lab for Undergraduate Students ............. 128
Curtis Kunkel, University of Tennessee Martin, USA

Chapter 10
Videagogy: Using Humor and Videos to Enhance Student Learning........................................ 138
Peter M. Jonas, Cardinal Stritch University, USA
Darnell J. Bradley, Cardinal Stritch University, USA

Section 4
Research-Based Best Practices

Chapter 11
Using Video and Web Conferencing Tools to Support Online Learning .................................. 149
Paula Jones, Eastern Kentucky University, USA
Fred Kolloff, Eastern Kentucky University, USA
MaryAnn Kolloff, Eastern Kentucky University, USA

Chapter 12
Using Video to Foster Presence in an Online Course ................................................................. 166
Sharon Stoeger, Rutgers University, USA

Chapter 13
Media and the Moving Image: Creating Screen Media Literacy............................................. 177
Paul Chilsen, Carthage College, Rosebud Institute, USA
Section 5
Student-Centered Learning and Student-Created Videos

Chapter 14
Digital Story-Making in Support of Student Meaning-Making .......................................................... 192
  Gail Matthews-DeNatale, Northeastern University, USA

Chapter 15
Video Projects: Integrating Project-Based Learning, Universal Design for Learning, and Bloom’s Taxonomy ................................................................. 204
  Marianne Castano Bishop, Indiana University South Bend, USA
  Jim Yocom, Indiana University South Bend, USA

Chapter 16
Putting Me in Media: Communicating and Creating Screen Media with a Purpose ...................... 221
  Christine Wells, Carthage College, Rosebud Institute, USA

Chapter 17
Flipped or Inverted Learning: Strategies for Course Design ............................................................. 241
  Christine Davis, Walden University, USA

Chapter 18
Making Learning Reel: Student-Made Videos on Mobile Devices .................................................. 266
  Rochelle Rodrigo, Old Dominion University, USA
  Kristopher Purzycki, Old Dominion University, USA

Compilation of References ........................................................................................................... 280

About the Contributors .................................................................................................................. 304
