Acknowledgment

The editing of this volume was inspired and assisted by many scholars and experts working in this area. We would like to thank all of them for their valuable suggestions, critical comments and reviews, sweet encouragement, kind support, as well as their unique notes, ideas, opinions, and help. We extend our special thanks to all the contributing authors who are the subject scholars from 11 countries and areas. It would not have been possible without their contributions and timely delivery of their chapters. We also appreciate all the reviewers of the chapters, whose comments improved the presentation and quality of the volume. Finally, we would like to thank the partial research support from National Natural Science Foundation of China under Grant No. 61074035, the Fundamental Research Funds for the Central Universities under Grant No. 72103326, the National Research, the Research Fellowship for International Young Scientists, the National Natural Science Foundation of China, under Grant Nos. 61050110145 and 61156735743, the NPST project under Grant No. 12-ELE2506-02, Cai YuanPei Program launched by China Scholarship Council, Alexander von Humboldt Foundation, Deutschland, and the Recruitment Program of Global Experts, the Central Coordination Committee, China.
