Acknowledgment

The editors are thankful to IGI-Global for providing an opportunity to conceptualise and publish this handbook. We are particularly grateful to Jan Travers (Director of Intellectual Property and Contracts), Kayla Wolfe (Assistant Acquisitions Editor), Monica Speca and Austin DeMarco (Editorial Assistants), and all other members of IGI-Global who have been very helpful and supportive during the entire development process of this handbook. The editors express their gratitude to all the contributors who have made valuable and timely contributions for this handbook. Finally, we convey our special thanks to the editorial advisory board members and members of review board for their valuable suggestions and comments on the manuscript. It is hoped that readers will be benefitted from our efforts and continue to offer their valuable suggestions for us to take this area of research to the next level.
