Acknowledgment

We have many colleagues and partners to thank for their impressive contribution to this publication. First, we would like to praise the people at IGI Global. They assisted us in making critical decisions about the structure of the book and provided useful feedback on stylistic issues.

We would like to express our appreciations to the Editorial Advisory Board Members. The excellent advice from these members helped us to enrich the book.

We would also like to thank all of the authors of the individual chapters for their excellent contributions.

We would particularly like to thank the assistant editor of this book, Mr. Recep Yılmaz, for his highest level of contribution in the editorial process.

The final words of thanks belong to our families and parents. Hasan Dinçer would like to thank his wife, Mrs. Safiye Dinçer, as well as his parents. Umit Hacıoğlu would like to thank his wife, Mrs. Burcu Hacıoğlu, and his son, Fatih Efe Hacıoğlu, as well as his parents, Ziya Hacıoğlu and Fatma Hacıoğlu. They deserve thanks for their enthusiasm, appreciation, help, and love. Their pride in our accomplishments makes it even more rewarding to the editors.
