Preface ................................................................................................................................................... ix

Acknowledgment ................................................................................................................................xxi

Chapter 1
Introduction: Motivations and a Brief Historical Review of “Information Technology” Leading
Up to the Information Age ................................................................. 1
  Why? ................................................................................................................. 1
  A Brief Historical Review of ‘Information Technology’ Since Western Printing ....................... 12

Chapter 2
Developing an Approach and Methodology for the Continued Progress of Library Studies and
Information Management ............................................................................ 25
  Introduction .................................................................................................... 25
  Developing an Approach ................................................................................ 29
  Developing a Methodology ........................................................................... 32
  Conclusion ..................................................................................................... 44

Chapter 3
Collection Spaces and Management, Virtual and Physical, in the User Environment ............... 46
  Introduction .................................................................................................... 47
  Collection Management ................................................................................ 49
  Physical Collections Evolving into the Virtual ............................................... 51
  The Virtual Collection of the (not so Distant) Past ......................................... 57
  The Virtual Collection of the Present ............................................................ 63
  The Virtual Collection of the (very Near) Future ........................................... 71
  Conclusion ..................................................................................................... 76

Chapter 4
Survey of Information Technologies in the User Environment .................................................. 84
  Introduction .................................................................................................... 84
  Understanding the Library as an Evolving User Environment .................................. 90
  Information Technologies that Can be Used for Collaboration in the Library User
    Environment ................................................................................................. 95
  Pitfalls in the Virtual Environment and Implementations of Information Technologies........ 107
  Conclusion ..................................................................................................... 113
### Chapter 5
Universal Index for Information Collections, Physical and Virtual: Information Experts Merging IT and Collection Management for Real Solutions in the User Environment

<table>

Primary Documents

Institution Case Study: Charleston County Public Library, Main Branch ........................................... 217
Completed by: J. Walker, Date Completed: April 01, 2011

Library Showcase: San Luis Obispo County Library, Cayucos Branch - Interview with Melody Mullis ........................................... 222
Completed by: Lisa Block, Date Completed: March 19, 2011

Institution Case Study: Google Books................................................................. 224
Completed by: J. Walker, Date Completed: December 1, 2012

Library Showcase: Darien (Conn.) Library - Interview with Alan Gray .................................................. 229
Completed by: Lisa Block, Date Completed: March 1, 2011

Institution Case Study: ITT Technical Institute, Atlanta Campus......................................................... 231
Completed by: Lisa Block, Date Completed: December 3, 2010

Library Showcase: DeKalb County (GA) Public Library, Toco Hill Branch - Interview with Darro Wiley...................................................... 235
Completed by: Lisa Block, Date Completed: March 11, 2011

Institution Case Study: Project Gutenberg............................................................. 237
Completed by: J. Walker, Date Completed: March 21, 2011

Library Showcase: Enoch Pratt Free Library, Roland Park Branch - Interview with Alexander Design Studio ........................................................................ 240
Completed by: Lisa Block
Edited by: J. Walker, Date completed: March 20, 2011

Institution Case Study: Robert W. Woodruff Library, Emory University........................................ 242
Completed by: Lisa Block and J. Walker, Date Completed: March 25, 2011

Library Showcase: Houston Public Library, Morris Frank Branch - Interview with Wendy Heger ...................................................... 249
Completed by: Lisa Block, Date Completed: March 2, 2011

Institution Case Study: ThinkQuest Library ......................................................................................... 252
Completed by: J. Walker, Date Completed: March 2, 2011

Library Showcase: Dauphin County Library System, Hummelstown Community Library - Interview with Wendy Mosteiko/Alexander Design Studio ................................................. 255
Completed by: Lisa Block, Date Completed: April 5, 2011
Institution Case Study: YouTube ......................................................................................................... 257
    Completed by: J. Walker, Date Completed: April 27, 2011

Library Showcase: Lupton Library, Univ. of Tenn. at Chattanooga - Interview with Jason Griffey ........................................................................................................... 263
    Completed by: Lisa Block, Date Completed: March 1, 2011

Library Showcase: Manhattan Christian College, Kansas - Interview with Mary Ann Buhler........ 265
    Completed by: Lisa Block, Date Completed: March 21, 2011

Library Showcase: The Mathewson-IGT Knowledge Center at the University of Nevada, Reno -
    Interview with Carol Parkhurst ........................................................................................................ 267
    Completed by: Lisa Block, Date Completed: March 2, 2011

Library Showcase: New Castle Public Library - Interview with Katie Newell................................. 272
    Completed by: Lisa Block, Date Completed: March 29, 2011

Library Showcase: Norlin Library, University of Colorado - Interview with John Culshaw ........... 274
    Completed by: Lisa Block, Date Completed: February 10, 2011

Library Showcase: Ramsey County Roseville Library - Interview with Staff............................... 277
    Completed by: Lisa Block, Date Completed: March 2011

Library Showcase: Sacramento Public Library, Belle Cooledge Library - Interview with Lois
    Casement Ross ................................................................................................................................. 279
    Completed by: Lisa Block
    Edited by: J. Walker, Date Completed: March 23, 2011

Library Showcase: Sterling C. Evans Library, Texas A&M University - Interview of Staff .......... 282
    Completed by: Lisa Block, Date Completed: March 2011

Library Showcase: Virginia School for the Deaf and Blind - Interview with Margaret Robison.... 285
    Completed by: Lisa Block
    Edited by: J. Walker, Date Completed: April 2011
