Acknowledgment

I would like to express my deep gratitude to all the contributors for their time and efforts for the preparation of the chapters. I am thankful to the members of the editorial advisory board for their encouragement and all the reviewers for giving the comments and suggestions on the chapters in time. I am indebted to Professor Dr. S.K. Sarangi (FNAE), Director, National Institute of Technology (NIT) Rourkela for his support and encouragement. The help and support by all my Ph.D. students is commendable, and in particular, I am thankful to Mr. Diptiranjan Behera and Ms. Smita Tapaswini for their help in arranging the review process. I would very much like to acknowledge the encouragement, patience, and support provided by all my family members, in particular to my parents, my wife, Shewli, and daughters, Shreyati and Susprihaa. Finally, I am most appreciative to Allyson Gard and the personnel of IGI Global for their support during preparation of this book.
