Preface ........................................................................................................... i

TRENDS IN THE CHOICE OF QUALITATIVE METHODS

Chapter 1. The Choice of Qualitative Methods in IS Research ................................................................. 1
Eileen M. Trauth
Northeastern University, USA

Chapter 2. Möbius Transitions in the Dilemma of Legitimacy ................................................................. 20
Eleanor Wynn
Intel Corporation, USA

ISSUES FOR THE IS RESEARCHER

Chapter 3. Action Research: Helping Organizations to Change ....................................................................... 46
Enid Mumford
Manchester Business School, UK

Chapter 4. Reflexive Ethnography in Information Systems Research ........................................................... 78
Ulrike Schultze
Southern Methodist University, USA

Chapter 5. An Encounter with Grounded Theory: Tackling the Practical and Philosophical Issues .............. 104
Cathy Urquhart
University of Sunshine Coast, Australia
Chapter 6. Doing Critical IS Research: The Question of Methodology .......................... 141
Dubravka Cecez-Kecmanovic
University of Western Sydney, Australia

Chapter 7. Analysis by Long Walk: Some Approaches to the Synthesis of Multiple Sources of Evidence .... 163
Steve Sawyer
Pennsylvania State University, USA

ISSUES FOR THE IS PROFESSION

Chapter 8. Conducting Action Research: High Risk and High Reward in Theory and Practice ......................... 192
Richard Baskerville
Georgia State University, USA

Chapter 9. A Classification Scheme for Interpretive Research in Information Systems................................. 218
Heinz K. Klein
Temple University, USA

Michael D. Myers
University of Auckland, New Zealand

Chapter 10. Challenges to Qualitative Researchers in Information Systems .................................................. 240
Allen S. Lee
Virginia Commonwealth University, USA

Chapter 11. Choosing Qualitative Methods in IS Research: Lessons Learned ............................................................... 271
Eileen M. Trauth
Northeastern University, USA

About the Authors.......................................................................... 289

Index .............................................................................................. 295
