Acknowledgment

We would like to thank the team that worked at the KIWI project, some of whom contributed chapters to this book. In particular, we would like to thank Prof. E. Damiani (Università degli Studi di Milano, Milano, Italia) and Prof. Passiante (Università del Salento, Lecce, Italia) who coordinated the two research units involved in the KIWI project. The KIWI project was funded by the Italian Minister for Scientific Research (MIUR) through the Basic Research Fund (FIRB).

Special thanks to Dott Cristina Monteverdi (Università degli Studi di Milano, Milano, Italia) for her effective and energetic help in revising the English spelling of this book.

We would like to express our gratitude to all authors of this book, to all reviewers who participated in the process to improve the contents, and to all those who gave us the possibility to publish this book.
