Acknowledgment

First and foremost, I would like to thank my parents, Sri Nirmalendu Ray and Smt. Rina Ray, for their unending inspiration and standing beside me throughout my career and writing this book. I would like to especially thank my Doctoral Supervisor and my teacher, Dr. Dillip Kumar Das, Asst. Professor, Department of Tourism, The University of Burdwan, West Bengal, India, who guided me and developed the applications for this project, and for giving me the freedom to manage my projects and providing the necessary time and resources toward the applications and databases. I would really like to thank my co–editor, Dr Kaushik Chakraborty, for helping me to complete this project smoothly. I appreciate that he believed in me to provide the leadership and knowledge to make this book a reality. I would like to convey my gratitude to my elder cousin brother, Dr. Partha Mitra, Associate Professor, Department of Physics, The University of Burdwan, for his proper guidance in my research activities and also in my career.

I record my regards and respect to my parents, Sri Sunil Baran Chakraborty and Smt. Monika Chakraborty, whose blessings are my fountain of inspiration. My heart-felt and special thanks are due to my wife, Ms. Purabi Chakraborty, and my daughter, Ms. Shreya Chakraborty, for their constant support and encouragement. I express my regards to my only sister, Ms. Kakali Chakraborty, her husband, Mr. Mrinal Chakraborty, and my nephew, Master Abhik Chakraborty, for their cooperation in various ways. I express a deep sense of gratitude and obligation to my teacher and research guide, Dr. Debasish Sur, Professor, Department of Commerce, University of Burdwan, W.B., India, for his wise and valuable guidance for this volume. Special thanks are due to my Lead-Editor, Mr. Nilanjan Ray; in fact, without his initiatives and energetic involvement, this book could never become a reality.

We acknowledge our indebtedness to all the members of editorial advisory board and technical reviewers of this volume. We are also grateful to all the authors whose valued contributions have enriched the volume. We wish to thank the officials at IGI Global for their invaluable efforts, great support, and valuable advice for this project towards successful publication of this book. In particular we wish to put on record the timely guidance and cooperation we received from Mr. Austin M. DeMarco, Assistant Development Editor, Editorial Content Division – Book Development, IGI Global, USA.

Finally, thanks are also due to our students, who always act as an inspiration to us at the time of carrying out such academic exercise.
