Section III
Using Social Networks for Information Retrieval

Chapter VI
Social Network Models for Enhancing Reference-Based Search Engine Rankings
/ Nikolaos Korfiatis, Miguel-Ángel Sicilia, Claudia Hess, Klaus Stein, and Christoph Schlieder...... 109

Chapter VII
From PageRank to Social Rank: Authority-Based Retrieval in Social Information Spaces / Sebastian Marius Kirsch, Melanie Gnasa, Markus Won, and Armin B. Cremers............ 134

Chapter VIII
Adaptive Peer-to-Peer Social Networks for Distributed Content-Based Web Search / Le-Shin Wu, Raj Akavipat, Ana Gabriela Maguitman, and Filippo Menczer ............. 155

Section IV
Social Issues

Chapter IX
The Ethics of Social Information Retrieval / Brendan Luyt and Chu Keong Lee ......................... 179

Chapter X
The Social Context of Knowledge / Daniel Memmi................................................................. 189

Section V
Social Information Seeking Models

Chapter XI
Social Information Seeking in Digital Libraries / George Buchanan and Annika Hinze .............. 209

Chapter XII
Relevant Intra-Actions in Networked Environments / Theresa Dirndorfer Anderson ................. 230

Chapter XIII
Publication and Citation Analysis as a Tool for Information Retrieval / Ronald Rousseau .......... 252
Section VI
Applications and Case Studies in Social Information Retrieval

Chapter XIV
Personalized Information Retrieval in a Semantic-Based Learning Environment
Antonella Carbonaro and Rodolfo Ferrini ................................................................. 270

Chapter XV
Multi-Agent Tourism System (MATS) / Soe Yu Maw and Myo-Myo Naing .................. 289

Chapter XVI
Hybrid Recommendation Systems: A Case Study on the Movies Domain
Konstantinos Markellos, Penelope Markellou, Aristotelis Mertis, Ioanna Mousourouli, Angeliki Panayiotaki, and Athanasios Tsakalidis .............................................. 311

Compilation of References .......................................................................................... 336

About the Contributors ............................................................................................... 365

Index .............................................................................................................................. 373
