# Table of Contents

Preface ................................................................................................................................................. vi  
Acknowledgment ................................................................................................................................. xii

## Chapter 1
Overview of Global Development Patterns .......................................................... 1
  Introduction ................................................................................................................................. 1
  Background ................................................................................................................................. 4
  Conclusion ................................................................................................................................. 17

## Chapter 2
Growth Experiences of the Asian Economies ...................................................... 24
  Introduction ................................................................................................................................. 25
  Background ................................................................................................................................. 26
  Future Trends ............................................................................................................................. 42
  Conclusion ................................................................................................................................. 44

## Chapter 3
East Asian Growth Controversy ............................................................................ 48
  Introduction ................................................................................................................................. 48
  Background ................................................................................................................................. 49
  Future Trends ............................................................................................................................. 65
  Conclusion ................................................................................................................................. 66

## Chapter 4
A Survey of Economic Growth ............................................................................. 73
  Introduction ................................................................................................................................. 73
  Background ................................................................................................................................. 74
  Future Trends ............................................................................................................................. 98
  Conclusion ................................................................................................................................. 98

## Chapter 5
The Empirical Growth Literature .......................................................................... 104
  Introduction ............................................................................................................................... 105
  Background ............................................................................................................................... 105
  Future Trends ............................................................................................................................ 125
  Conclusion ............................................................................................................................... 125
