Acknowledgment

We would like to thank this book’s MVP, Peggy Fitzgerald. Your attention to detail, ability to manage academic “nerds,” and ever present virtual smile have made this an enjoyable journey.

We are grateful to our editorial assistant, Austin DeMarco. Your prompt, reliable, and friendly assistance has made our collaboration with IGI Publishing a positive experience.

We would like to acknowledge this book’s contributing authors, editorial board, and manuscript reviewers. We recognize and appreciate the time and effort you have invested in this publication. Together we have produced a timely compilation of research and instructional practices that will inform the integration of digital tools and writing.
