Acknowledgment

As the outgoing Editor-in-Chief of the *International Journal of Embedded and Real-Time Communication Systems* (IJERTCS), I wish to extend my sincerest thanks to all individuals who have contributed to the scientific content of the journal during my five years (January 2009 – December 2013) as Editor-in-Chief: all contributing authors, all current and past members of IJERTCS editorial review board, and all guest reviewers. It has been a pleasure and privilege to work with you in launching and establishing this journal.

This book is based on and extended from research published in volumes 2 (2011) and 3 (2012) of IJERTCS, and for these volume years, I wish to specifically extend my warmest thanks and appreciation to Professor Jari Nurmi (Tampere University of Technology, Finland and IJERTCS Associate Editor), Dr. Ina Schieferdecker (Technical University Berlin, Germany), Dr. Colin Willcock (Nokia Siemens Networks, Germany and former IJERTCS Editorial Review Board member), Dr. Dragos Truscan (Åbo Akademi University, Finland and former IJERTCS Associate Editor), Dr. Tapani Ahonen (Tampere University of Technology, Finland and IJERTCS Editorial Review Board member), Dr. Juha Plosila (University of Turku, Finland and IJERTCS Associate Editor), Dr. Walteneugus Dargie (Technical University of Dresden, Germany), Dr. Elena-Simona Lohan (Tampere University of Technology, Finland), Dr. Stephan Sand (German Aerospace Center, Germany), and Dr. John Raquet (Air Force Institute of Technology, USA) for their hard work and effort as Guest Editors or Guest Co-Editors of journal issues during the second and third volume years of IJERTCS.

*Seppo Virtanen*
