Chapter 7
Applications of Technology for Instruction and Assessment with Young Children

Lee Allen, University of Memphis, USA
Sally Blake, University of Memphis, USA

Chapter 8
Promoting Family Involvement through Using Technology

Vivian Gunn Morris, University of Memphis, USA
Satomi Izumi-Taylor, University of Memphis, USA
Cheri Lewis Smith, University of Memphis and Harding Academy, USA
Denise Winsor, University of Memphis, USA

Chapter 9
Technology Integration in Early Childhood and Primary Classrooms: Access, Use & Pedagogy Remain Critical Components to Success

Michael M. Grant, University of Memphis, USA
Clif Mims, University of Memphis, USA

Chapter 10
Building Epistemic Awareness in the Early Childhood Classroom: Theory, Methodology, and Technology

Denise L. Winsor, University of Memphis, USA
Sally Blake, University of Memphis, USA

Chapter 11
Technology Resources and Software Recommended for Young Children and Teachers and Evaluating Web Sites

Lee Allen, University of Memphis, USA
Sally Blake, University of Memphis, USA
Candice Burkett, University of Memphis, USA
Rene Crow, University of Central Arkansas, USA
Andrew Neil Gibbons, New Zealand Tertiary College, New Zealand
Michael M. Grant, University of Memphis, USA
Satomi Izumi-Taylor, University of Memphis, USA
Yu-Yuan Lee, University of Memphis, USA, & Nan Kai University of Technology, Taiwan
Jorge Lopez, University of Texas at El Paso, USA
Maria Eugenia López, Centro de Desarrollo Infantil, México
Zelda McMurtry, Arkansas State University, USA
Clif Mims, University of Memphis, USA
Vivian Gunn Morris, University of Memphis and Harding Academy, USA
Cheri Lewis Smith, University of Memphis and Harding Academy, USA
Denise Winsor, University of Memphis and Harding Academy, USA
Appendix A
Thinking About Technology: A Reflective Guide for Teachers ......................................................... 233

Appendix B
Family Technology Information Sheet ............................................................................................... 236

Appendix C
Epistemic Belief Survey .................................................................................................................. 238

Compilation of References ............................................................................................................. 240

About the Contributors .................................................................................................................... 266

Index ................................................................................................................................................... 270
