3G Mobile Information Device (MID 3G) 36

A

access control (AC) 61
ADSL (Asymmetric Digital Subscriber Line) 59, 63, 79
ASL (Asymmetric Subscriber Loop) 57 alliances 17
application programming interface (API) 127
archive management 159
awareness aggregate 146

B

bandwidth 5, 56
barriers to convergence 37
billing services 190
brand awareness 136
brand communication tools 150
brand equity 135
brand identity 136
brand image 136
branding strategies 135
broadband multimedia PC 37
byte 5

C

cable 78
cable operators 16
capacity 110
CATV (cable networks) 61
channel competition 140
channel content management 158
channels for specific viewer-groups 139
clearing house services 190
communication model 33
conditional access (CA) 69, 126
consultation 106
consultational interactivity 108
consumer attitudes 39
content gatekeeper 129
content manipulation 8
content media management 156
content packaging 8
content processes 192
content production 8
content providers 15
content reception 8
content transmission 8
contract and rights management 189
convergence 1, 31
convergence factor 43
convergence index 47
conversation 105
conversational interactivity 108
cooperative paradigm 25
