Appendix J: 2001 Survey Letter to Subjects

September 1, 2001

Dear Student,

In order to better serve Chapman University students enrolled in our distance learning courses, we are surveying those who have taken courses in alternative formats including videotape, correspondence, and computer-based delivery methods.

Please take a moment to complete the enclosed survey and return it in the business reply envelope. Your participation is greatly appreciated.

Sincerely,

Gary A. Berg
Director of Extended Education and Distance Learning
