

Acknowledgments

We thank God for successful completion of this project. We are thankful for the support of our colleagues, publisher and student assistants as we labored on this project. Our colleagues provided solid contributions to this handbook and demonstrated a commitment to excellence throughout the editorial process. Our editorial representatives, particularly Kristin Roth, demonstrated patience and extreme cooperation as we went through the different stages of development and production. Sara Reed also provided valuable support throughout the process. Several graduate research assistants, including but not limited to Melissa Macaskill and Sharon Berry, provided important administrative and research support at key moments along the way. Last, and certainly not least, we thank our families for their continued support behind the scenes in ways that allow us to pursue such scholarly projects. To all of these key players we extend our deepest gratitude.
