I would like to thank:

Valerie, Milou, Vidocq and Tahira for their love and support through this exciting project.

Kabene Ahcene and Kabene Doula for believing in me.

Candace Gibson for her friendship and incredible editorial assistance. She truly helped make this book a great book. Her work and friendship are truly invaluable.

IGI Global and its incredible staff for having believed in us and for their continuous assistance.

The authors who worked hard to provide us with top quality papers, the reviewers who gave their time so generously to take on the difficult task to choose the best papers and help, through their suggestions make them even better. Finally, many thanks to the editorial advisory board members for their vision and guidance.

Thank you all,

*Stefane M. Kabene*
