

Acknowledgment

The editor wishes to thank all of the authors for their insights and excellent contributions to this book and would like to acknowledge the help of all involved in the collation and review process of the book, without whose support the project could not have been satisfactorily completed. Most of the authors of chapters included in this book also served as referees for chapters written by other authors. Thanks go to all those who provided constructive and comprehensive reviews.

A further special note of thanks goes to all the staff at IGI Global, whose contributions throughout the whole process from inception of the initial idea to final publication have been invaluable. Special thanks also go to the publishing team at IGI Global. This book would not have been possible without the ongoing professional support from IGI Global.

The idea of editing this volume stems from the initial research work that the editor did in past several years. The assistances and facilities of Northeastern University, China, are deemed important, and are highly appreciated. The research work of the editor supported by the *Program for New Century Excellent Talents in University* (NCET-05-0288).
