

Acknowledgments

I would like to thank all involved in the creation of this collection, including the reviewers who dedicated their time and expertise to this project and the editorial production staff at Idea Group Inc., and Kristin Roth in particular, for their assistance and professionalism throughout this project.

My thanks also goes out to all of the individuals who contributed to this collection; their intelligence, insights, and commitment to examining culture and online communication are greatly appreciated.

Finally, I wish to thank my daughter, Lily Catherine St.Amant, for being a continual source of inspiration in all that I do, my wife, Dori St.Amant, for her unwavering patience and understanding during this project, and my grandparents, Albert and Lily St.Amant, for teaching me the importance of culture and language.
