

Acknowledgments

Many people have contributed to the production of this book. Their dedication to the writing of high quality chapters and their commitment to submitting them to the publisher on time have made it possible to complete work within the publisher's production schedule. For their efforts we are very thankful. Our college also deserves thanks for its support. In particular, we would like to thank Richard A. Shick, Dean of the Wehle School of Business at Canisius College, for his gracious support throughout this project, and Carol Michalski for her efficient secretarial support. Also, we thank Jan Travers and Michele Rossi of Idea Group Publishing for their hard work, dedication and understanding during the production of this high quality book.
