The editors would like to sincerely thank Deborah Yahnke from IGI Global for her infinite patience and constant professional assistance with the editing process.

We are also indebted to Joanna Jemielniak, Krzysztof Klincewicz, Monika Kostera, Stella Kounelakis, Damian Makowski, Patrik Persson, Józef Tkaczuk, Kevyn Yong, and other reviewers who preferred to stay anonymous. We would like to thank all the authors involved for the journey together, and for their ability to endure our idiosyncrasies, last-minute announcements, and changing demands.

Dariusz Jemielniak's work on this project was possible thanks to generous support from the Minda de Gunzburg Center for European Studies at Harvard University, Kozminski Business School, and Polish Ministry of Science, for which he is truly grateful.

Jerzy Kociatkiewicz would like to thank Monika, as always, for enduring his writing habits, as well as all the colleagues from Växjö Universitet and the University of Essex for help and inspiration.
