

Acknowledgments

The editors would like to acknowledge the help of all involved in the authoring and review process of the book, whose valuable support was necessary for the successful completion of this project. Some of the authors of chapters included in the book also served as referees for chapters written by other authors. Additionally, the following people provided comprehensive and insightful reviews: Beatrice Alenljung, Birger Andersson, Per Backlund, Maria Bergholtz, Ananda Edirisuriya, Martin Henkel, Tharaka Ilayperuma, Björn Lundell, Erik Perjons, Jelena Zdravkovic, and Rose-Mharie Åhlfeldt. Many thanks go to all of them.

Special thanks also go to the publishing team at IGI Global, whose support throughout the whole process from initial idea to final publication has been invaluable. In particular, many thanks to Deborah Yahnke, Meg Stocking and Kristin Roth for their continuous assistance and prompt replies to all questions that have appeared during the work on this project.

Finally, we wish to thank all of the authors for their enthusiasm, insights and excellent contributions to this book.
