

# Acknowledgment

This book is made possible through the efforts of many people. We especially want to thank the authors of each chapter for contributing the results of their work and expanding our understanding of aspects related to global information management. Also, the people at IGI Global have been instrumental in providing assistance in the development of the book. We specifically appreciate the assistance of Dr. Mehdi Khosrow-Pour, Ms. Jan Travers, and Ms. Kristin Roth.

We dedicate this book to the hard working and loyal staff at IGI Global.
