

Acknowledgments

The editing of a book is a collective project, where all the players have an important role. Hence, I would like to thank all the authors who believed in this project since its inception and gave their best effort for the success of this publication. I would also like to thank the team at Idea Group Publishing, namely, Prof. Mehdi Khosrow-Pour, Ms. Jan Travers and Ms. Michele Rossi, for their commitment and responsiveness for the successful completion of this book. And, last but not least, I would like to thank the Brazilian School of Public and Business Administration of the Getulio Vargas Foundation, where I have served as an associate professor, and Rio de Janeiro State University, where I have served as an adjunct professor, for the support shown to me.

This book is dedicated to my wife Lucia and my lovely daughters Cecilia and Elisa for their support, love and respect.
