"3-D virtual teleconferencing (3DVTC)" 237

A

acceptance testing 297
access control 6
ACID (Atomicity, Consistency, Isolation and Durability) 73
"action learning/action research" method 173
activity awareness 7
address book 300
administrative assistants 281
administrator functions 297
administrator module 289, 299
Administrators Plus Odyssey 285
announcement module 297
Apple PowerSchool 284
application/desktop sharing 37
architectural building blocks 144
asynchronous cooperation 137
asynchronous groupware systems 257
asynchronous mode vii
asynchronouscommunication 78
attendance module 298
audio/video conferencing 37
availability awareness 7
awareness levels 16
awareness net 2, 11
awareness services 7
awareness spaces 15

B

B2B (Business-to-Business) vii
B2C (Business-to-Consumer) vii
basic IT curriculum 255
"blended learning" 179
bookmarks 6
broadband technology 207
bulletin 38
business administration and information systems 147
business information systems 254
business transaction protocol (BTP) 73
business-to-Business integration (B2Bi) 61

C

CAD systems 147
Chancery SMS 281
Chancery solutions for school administrators 281
"change agent" 170
change management 31

change process 31
“Choreography Engine” 74
closed modus 261
collaboration 122
collaboration networks 169
collaborative Engineering (C-Engineering) 127, 133
collaborative engineering communities 136, 140
collaborative infrastructure 3
collaborative task 15
communication 121
communication (SOAP) 80
communication services 6
community approach 130
CompleteSchool system 281
computer mediated process 35
computer supported cooperative work (CSCW) 2, 12
conceptualization 155
concurrent engineering (CE) 126
conductors for schools 284
confidentiality check 144
configuration management 5
construction S.A. 200
contact lists 6
contact management 38
continuous lines 156
conventional videoconferencing (VC) 238
cooperation 122
coordination 122, 129
coordination services 7
corporate resource sharing 98
cross-regional project teams 33
customer relationship management (CRM) 63, 254
cyber activist 213
Cybercrime Act 219
cybercrime legislation 214
cyberspace 206

D

data management 99
data processing 100
data types 84
“denial-of-service” attacks 214
desocialization 151, 152, 154
Digitronics Software CompleteSchool 281
discontinuous lines 156
discovery-infrastructure 77
dynamic B2Bi 67
dynamic interactions 151
dynamic view 151
dynamic view of virtual organization 156

E

e-Collaboration viii, 32, 99, 116
e-Collaboration pyramid 42
e-Collaboration soft facts 45
e-Collaboration technological functions 37
e-Collaboration technology 36
e-Collaboration tools vii, 30
e-commerce viii
e-learning viii
E-SAS evaluation 295
E-school administration system (E-SAS) 276, 288
EdSoft Software 282
electronic communication 278
electronic network capability 207
electronic parents-teachers-associations (e-PTAs) 286
endpoint routing protocol 103
engineering 125
“Enterprise Application Integration” (EAI) 62
enterprise resource planning (ERP) 11, 62
“ET (Emotional Telecommunication) Touch” 235
evaluation module 298
existing E-school systems 278
existing virtual team infrastructures 8
expansion 155, 159
extended enterprise (EE) 63
extended enterprise integration (EEi), 67
eye contacts 245
