

Acknowledgments

We would like to recognize and thank the many authors of the chapters included in this volume. Also, we appreciate the assistance of those involved in the project at Idea Group Publishing, especially Dr. Mehdi Khosrow-Pour and Ms. Jan Travers. Without you this book would not exist.

We dedicate this book to our wives, Shirley and Hazel. Your encouragement and patience have proven invaluable on this project as well as others.

Thank you all very much.

M. Gordon Hunter
