

## Acknowledgment

The editors express their sincere gratitude to IGI-Global for providing an opportunity to conceptualise and publish this Handbook. We are particularly grateful to Jan Travers (Director of Intellectual Property and Contracts), Kayla Wolfe (Managing Editor, Acquisitions), Katherine Shearer (Development Editor) and all other members of IGI-Global who have been very helpful and supportive during all the stages of the development process of this Handbook. The editors specially acknowledge the efforts of all the contributors who have made valuable and timely contributions for this Handbook including their active participation during the review process as peer review group. Finally, we convey our special thanks to the Editorial Advisory Board members and members of Review Board for their valuable suggestions and comments for enriching the manuscript. It is hoped that readers will be benefitted from our efforts and continue to offer their valuable suggestions that can guide us for future directions in this area of research.
