

# Dedication

*To the memory of all those who were lost in the September 11, 2001 attacks, the Bali and Madrid attacks, and many other attacks as a result of the senseless determination by a small minority of people.*

*To the memory of my father who taught me understanding of the complexity and beauty of the world.*

*Lech J. Janczewski*

*To everyone who gave me encouragement and support throughout this and many other of life's projects, may God's blessings be upon you.*

*Andrew M. Colarik*
