

Acknowledgment

In our first venture into book editing, we have learned a tremendous amount and we are grateful for the support and assistance we have received from so many sources. We would like to thank our authors, reviewers, and advisory board for their timely and detailed assistance with each task we asked them to complete. Additional thanks to Mr. Amit Chauhan, who helped us organize and format the many files that made up this book; to Ms. Hannah Abelbeck, our Editorial Assistant at IGI, who always had a quick answer to our questions; and to our families, who encouraged us and who understood when we had to work late. Finally, we would like to acknowledge the millions of people who inspired this book by engaging in virtual professional development and informal online learning every day.
