The editors would like to thank all the people that collaborated in making this book a reality. First, we would like to thank the team of IGI Global. In particular, we would like to thank Myla Harty for guiding throughout the editing process; and the members of the Editorial Advisory Board, Julia H. Allen, Haris Mouratidis, Jan Jürjens, Sushil Jajodia, Antoni Bosch, and Javier Garzás for their constant support and advice.

We would like also to express our gratitude to the authors of the chapters for their insights and contributions to this book. Most of them also served as reviewers for chapters written by other authors. We wish to thank all of them their productive and complete reviews. We would like also to thank Prof. Ernesto Damiani for accepting to write the Foreword of this book.
