

Acknowledgment

In editing this book, we have been fortunate to have had valuable comments on various draft chapters from our editorial Advisory members. We should like to thank Dr. R. Rena; Professor J. Hoff; Dr. R. Bons; Professor C. k. Ayo; Professor R. Munro; Professor M Falch; Dr. S. S. Nash; and Dr. R.K. Kamat. In addition, many thanks are due to our reviewers. Finally we should like to thank commissioning people at IGI Global, especially Beth Ardner, Assistant Director of Marketing for her enthusiastic and excellent support especially in the first and second stages of the book and Mr. Joel Gamon for his excellent assistance at the last stage of the book.
