

Acknowledgment

This book reflects the efforts of many people. We are sincere appreciative of the authors involved in this book project who met rigorous deadlines, engaged ideas, responded to feedback and wrote excellent chapters. We are proud to have had the opportunity to work with all them. We hope for future fruitful collaborations. We would like to thank all chapter reviewers and our Editorial Advisory Board Members for their valuable and thoughtful suggestions which enriched this book. Our thanks go to Kyle Miller and Neil Washington, Charles Wankel's research associates for their help in making sure that the book project proceeded smoothly. In addition, we thank Myla Harty and Jan Travers of IGI Global for their professional support. Finally, we thank our families for their robust support of during this project.
